The enclosed Wholesale Price List outlines our product line in order of the catalog pages, showing both wholesale prices and suggested retail prices. All items are attractively packaged for retail sales in crystal clear bags, 1/4" hanging holes, bag toppers or kraft-colored labels. Smaller items are mounted on shipping tags. All paper items include black cardstock backing to highlight product and protect.

Our products are sold wholesale in small groups (usually six). Alternatively, we are happy to send you just one sample of a particular item, at wholesale prices, to aide in your decision-making. Opening order minimum of \$150.

You can order with confidence. All items are guaranteed to please you. If you are not satisfied, simply return for full credit or exchange. SORRY, SHIPPING CHARGES ARE NON-REFUNDABLE.

We accept checks, money orders, and major credit cards. Orders are promptly shipped within 72 hours of receipt, except in rare cases. You will receive notification of shipping via e-mail, if provided.

Wholesale orders are charged actual shipping costs. Use the rate chart for estimating costs when placing your order. Your account will then be credited/debited actual charges. We make every effort to ship your order with the best rates and care. All

orders are shipped via USPS Priority Mail, USPS First Class Service, or UPS depending upon shipment size and best rates.

To expedite, please fax or mail our order form, or order on-line. Call or e-mail us to receive additional copies. For your convenience, order forms can also be downloaded at our web site.
